*SCERT(State Council of Educational Research and Training) 2019 Books are published by Department of School Education, Government of Tamil Nadu.

I stand immensely thankful to the Almighty for steering us through the ocean of uncertainties, which the world encountered through the pandemic that disrupted the normalcy to a very great extent during the Academic Session 2021-'22. The spread of Covid 19, introduced uncertainty into the major aspects of national as well global platforms especially for schools. Yet, Orchard School kept striving to achieve its desired goals. Technology played a significant role to help in the Teaching-learning process during School closures aided by the magnificent support rendered by the entire Orchard Fraternity.

The brainstorming sessions to use all the virtual possibilities to take learning to the comfort of every home ensuring utmost safety proved itself to be worthwhile. Except meeting the kids face to face, every other activity was held virtually that enthralled the entire Orchard family. We ever remained connected and lively as we did during normal school days. The Academic Calendar and the pedagogical activities were planned to incorporate all components in a lucid manner.

Academic Excellence is the hallmark of any educational institution. Orchard rhapsodically believes in this aspect of quality education. Eventually, multiple kinds of virtual activities were organised throughout the year to help the young minds get themselves engrossed in various activities and showcase their hidden talents.

We rounded up some of the best educational online activities to keep students of all ages engaged in learning while they were away from the classroom. While the second wave had set in hard, our students were made aware of the ongoing challenges faced by our frontline workers in health, sanitation and security systems. Right from the beginning, we equipped children with the knowledge of the virus, its spread and preventive measure. We made sure it is easy for our tiny tots too, to understand the protection measures they must take up to keep themselves safe and healthy.

The School reopened virtually on 14th June, 2021. All events for the year, comprising of Pedagogical Plans, Assembly themes, observation of Special Days, Celebration of Festivals, competitions, participation in spell Bee, Olympiads and other interschool competitions were planned schematically and were well executed.

Academic Events:

All Instructional Classes were made interesting and innovative though it was conducted virtually till the month of February,2022. All text books were provided as soft copy as well a hard copy. Google classroom and our individual website for each class was a one stop solution for all educational needs. Note Books were issued to students and were oriented to maintain class work schematically. All internal assessments, 7 cycle tests and 3 Term End Assessments were conducted online with proper proctoring System to ensure credibility. Students had hybrid classes from the month of February,2022.

Competitions:

Competitions like Photography Contest, Elocution, Drawing, Collage, Art from waste, singing were conducted online for all students. The enthusiasm and excitement in participating in contests were enormous and encouraging. Competitions sure helped the kids cut through the monotony of sitting within the four walls, but enjoy giving out their best.

Spell Bee and Olympiads

Students from Grade 2 to 10 participated in Spell Bee contest and participated in School, Zone, District, State level online and 30 students were selected to participate in the National Level clearing the State Level Contest.

Special Days and Celebrations

All significant Special Days, Religious and National festivals were celebrated with pomp and glory. There were special assemblies conducted online for every event to showcase the significance.

PTA and SMC Decisions:

The executive committee members of PTA requested the school management to convert the school into a CBSE school on 08 October 2021. Required steps have been taken for the Senior Secondary Level Switch-over from other board with CBSE.

The school management committee meeting was convened at 10.30 a.m. on 25 March 2022 at school's multipurpose hall. The Founder Chairman Mr.S.Mani chaired the meeting and informed that the school fee will not be revised this year in order to reduce the financial burden of our school parents due to the recession caused by the pandemic.

Conclusion

The closure of Schools during the Pandemic has proved that nothing could come against the vision of a School of imparting quality education. We as the entire Orchard Fraternity were able to stand together to innovate, explore and plunge into a new dimension of virtual teaching and learning strategies.

Last but not the least, it is true that all the progressive and praiseworthy work has been possible only because of the massive cooperation of everyone associated with Orchard School. I owe my sincere gratitude to the Management for their boundless support, the entire Orchard Fraternity for their tireless efforts and the students for their enthusiasm and co-operation. We would like to extend our special thanks to all the parents, who were always there to follow us religiously. To conclude, we assure that we are committed to bring forth confident, efficient and self-sufficient students, who spread the values of love, compassion, empathy, truthfulness and sacrifice wherever they are.

School Circulars – 2022-'23

Orc-2022-'23 /1/7th April,2022

Dear Parent,

We have sent an activity sheet to remind the children of the importance of drinking water and eating fruits during the Summer. This sheet can be kept at home, and every night the child must remember the total amount of water consumed from morning to night, as well as complete the needed tasks on the activity sheet. The activity sheet includes guidelines. On **April 22nd, 2022**, the completed activity sheet must be returned to the concerned class teacher.

Parents too are encouraged to be mindful of drinking plenty of water and consume seasonal fruits. Let's remember to contribute towards "A healthy Planet being healthy ourselves"

Regards,
Principal

Dear Parents and Students

Welcome Back again into a New Academic Session 2022-23, yet another joyful year of learning and much more fun and frolics!

Kindly note the following points carefully.

* We shall have a well-structured BRIDGE COURSE for the next 2 weeks to help you combat the learning gap schematically.

* Hope all of you have collected your Books and Notebooks and covered them as per the instructions given in the checklist. You will be allotted your division tomorrow. You are instructed to bring one Common Revision Notebook alone to School tomorrow. You will be given a schedule as usual for Books and Notebooks submission. Till then hold them at home.

* Tomorrow will be a full working day and hence carry your snacks and lunch.

* Awaiting to see the students tomorrow turning out in full and perfect uniform.

Regards,
Principal
